International SOS

To log in to International SOS, use the University of Texas System member number. You should have received this from the travel office.

If you need further step-by-step instructions, use International SOS’s help page.
You now should see the UT client page. You will need to create a new user account if you have not used International SOS before.

Click on the noted link to log in and enter your personal travel itinerary:

Travelers confirming reservations through a UT System contract travel agency—Alamo Travel, Anthony Travel, Carlson Wagonlit Travel, Corporate Travel Planners and Sun Travel—are automatically registered; travelers confirming reservations through other sources must register on this page!
