AGREEMENT OF COOPERATION

BETWEEN

JOETSU UNIVERSITY OF EDUCATION

AND

THE UNIVERSITY OF TEXAS AT SAN ANTONIO

THE UNIVERSITY OF TEXAS AT SAN ANTONIO (hereinafter referred to as U.T.S.A.) and JOETSU UNIVERSITY OF EDUCATION, located at 1, Yamayashiki-machi, Joetsu-shi 943-8512, Niigata Prefecture, Japan (hereinafter referred to as J.U.E.) enter into an agreement of cooperation to establish a program of exchange and collaboration in areas of interest and benefit to both institutions.

I.

The purposes of the cooperation between U.T.S.A. and J.U.E. are as follows:

• to promote interest in the teaching and research activities of the respective institutions, and

• to deepen the understanding of the economic, cultural and social issues environment of the respective institutions.

II.

To achieve these goals, U.T.S.A and J.U.E. will, insofar as the means of each allow:

• promote institutional exchanges by inviting faculty and staff of the partner institutions to participate in a variety of teaching and/or research activities and professional development;

• receive undergraduate and graduate students of the partner institution for periods of study and/or research;

• organize symposia, conferences, short courses and meetings on research issues;

• carry out joint research and continuing education programs; and

• exchange information pertaining to developments in teaching, student development and research at each institution.

In achieving these goals, U.T.S.A. and J.U.E. will ensure that each Institution reviews and approves the specifics of all proposed exchanges of information or of any proposed research collaboration before either Institution actually engages in any such exchange or collaboration. This review is required, in part, because such exchanges or collaborations may be subject to American Export Control laws and regulations, and regulations related to the Foreign Exchange and Foreign Trade Act of Japan.
III.

Each institution shall designate a coordinator to oversee and facilitate the implementation of this Agreement. The coordinators, working with other appropriate administrators at the respective universities, shall have the following responsibilities:

• to promote academic collaboration at both faculty, graduate and undergraduate student levels for research and study;

• to act as principal contacts for individual and group activities and to plan and coordinate all activities within their institutions as well as with the partner institution;

• to distribute to each institution information about the faculty, facilities, research, publications, library materials and educational resources of the other institution; and

• to meet periodically to review and evaluate past activities and to work out new ideas for future cooperative agreements.

IV.

This general Agreement of Cooperation shall be identified as the parent document of any program agreement executed between the parties. Further agreements concerning any program shall provide details concerning the specific commitments made by each party and shall not become effective until they have been reduced to writing and executed by the duly authorized representatives of the parties. The scope of the activities under this agreement shall be determined by the funds regularly available at both institutions for the types of collaboration undertaken and by financial assistance as may be obtained by either institution from external sources.

V.

Except as may be stipulated in any specific program agreement, each institution shall be responsible for expenses incurred by its employees under this agreement.

VI.

Upon approval by each institution, this agreement shall remain in effect for a period of five (5) years unless terminated earlier by either institution. Such termination by one institution shall be effected by giving the other institution at least one hundred eighty (180) days advance written notice of its intention to terminate. If such notice is given, this agreement shall terminate: (a) at the end of such one hundred eighty (180) days; or (b) when all students enrolled in a course of study under the agreement at the time such notice is given have completed their respective courses of study under the agreement, whichever event occurs last. Termination shall be without penalty. If this agreement is terminated, neither U.T.S.A. nor J.U.E. shall be liable to the other for any monetary or other losses which may result.
